

1 (Note to readers regarding Park Board motion to rebuild/replace the Outdoor Pool in
2 Mt Pleasant Park:

3 On lines 159-189 you will find the three part motion put forward by Commissioner
4 Barnes which included a direction to staff to put forward a plan for future
5 development of new Outdoor Pool in Mt Pleasant Park in the next Capital Plan (which
6 would have been 2010) when funds become available. There was an attempt to amend
7 the motion which was defeated and subsequently the original motion was voted on and
8 was carried unanimously.

9
10 **MINUTES OF MEETING**
11 **OF THE BOARD OF PARKS AND RECREATION**
12 **HELD AT THE PARK BOARD OFFICE**
13 **ON MONDAY, DECEMBER 14, 2009**
14
15

PRESENT:	Chair	- Aaron Jasper
	Vice Chair	- Sarah Blyth
	Commissioners	- Constance Barnes
		- Raj Hundal
		- Stuart Mackinnon
		- Ian Robertson
		- Loretta Woodcock
	Acting General Manager	- Peter Kuran
	Director of Vancouver East District	- Liane McKenna
	Director of Planning and Operations	- Piet Rutgers
	Co-Acting Director of Stanley District	- Philip Josephs
	Acting Director of Queen Elizabeth District	- Diane Murphy
	Manager of Horticulture & Arboriculture	- Bill Manning
	Manager of Communications	- Joyce Courtney
	Recorder	- Shala Hay

16
17
18 **APPROVAL OF MINUTES**

19
20 The minutes of the following meetings were adopted as circulated: regular
21 meeting of the Board held on Monday, November 16, 2009; special meeting of the Board
22 held on Tuesday, November 17, 2009; and special meeting of the Board held on
23 Thursday, November 25, 2009.
24
25
26

27 **CHAIR'S REPORT**

28
29 The Chair reported on recent events: 2009 Cultural Harmony Awards, electric
30 vehicle launch at Sunset Community Centre and official opening of Bright Nights in
31 Stanley Park.
32

33 The Chair also reported on the highlights of the Park Board's Strategic
34 Accomplishments for 2009: sustainable projects such as the Earth Day tree planting event
35 and Mason Bee project; renewal of ageing infrastructure and adaptations to accommodate
36 growth including the official opening of two new parks and the Vancouver

37 Olympic/Paralympic Centre and finalization of the Forest Management Plan from the
38 Stanley Park Restoration project; engagement of people through enhancements to the
39 public web site, launch of the Park Board's Facebook and Twitter pages and introduction
40 of the new format for the Annual Report; integration of public involvement with the
41 hosting of 6 Community Board Meetings and 38 open house/workshop events;

Excellence In Green Building Practises Award was attained from the Globe Foundation and the World Green Building Council for sustainable venue construction to the architects of the Park Board's 4 new 2010 winter Games legacy facilities.

COMMITTEE REPORTS

On the agenda of the last Services and Budgets Committee meeting were: Procurement Policy; 2009/2010 Operating Budget Update; and 2010 meeting schedule. The next meeting will convene on January 19, 2010.

On the agenda of the last Planning and Environment Committee meeting were: No Smoking Policy; Mt Pleasant Park, Community Centre and Pool Consultation Results; 2010 Winter Games By-Law; Stanley Park Information Kiosk; and 2010 meeting schedule. The next meeting will convene on January 7, 2009.

City Council Report

Included on the agenda of the next Regular Council meeting are: Approval of Funding in Advance of 2010 Capital Budget: Conversion of the Vancouver Olympic/Paralympic Centre at Hillcrest Park into the new Riley Park Community Centre, Riley Park Ice Rink, Vancouver Curling Club and Riley Park Library; Changes to Council-Delegated Authority to Contract ("Standing Authorities"). At the next Planning and Environment Committee meeting Council will receive a report on the Hastings Park/PNE Master Plan.

Election of Chair

As set forth in the Board's Procedure By-law, the Acting General Manager acting as Chair pro-tem, called for nominations for Chair of the Board for Year 2010.

Commissioner Hundal nominated Commissioner Jasper as Chair.

Ballots were provided to the Commissioners for completion. The ballots were counted and Commissioner Jasper was declared Chair of the Board for Year 2010.

The Acting General Manager handed over the Chair to Commissioner Jasper.

85

86

Election of Vice-Chair

87

88

Commissioner Barnes nominated Commissioner Blyth as Vice-Chair

89

90

Ballots were provided to the Commissioners for completion. The ballots were counted and Commissioner Blyth was declared Vice-Chair of the Board for Year 2010.

91

92

93

94

95

STAFF REPORTS

96

97

Mount Pleasant Park

98

99

Board members received copies of a staff report dated December 07, 2009 recommending that the Board approve recommendations A to C.

100

101

102

103

104

105

106

107

108

109

110

Staff informed the Board that the new Mount Pleasant Community Centre, at #1 Kingsway, opened its doors on Friday, December 11, 2009. The results of the public consultation and recommended next steps in the plan for Mount Pleasant Park were presented. The consultation results indicated that the community's preference is for an outdoor swimming pool and change room to be included in the plans for the park. Staff recommended that the park be developed in such a way to permit the pool and change rooms to be included at a later date, when the capital funds become available and that the existing building be decommissioned.

110

111

The following delegations requested to speak to the Board:

112

113

114

115

116

117

118

119

120

121

122

123

124

125

126

127

128

129

130

131

The following is a summary of comments provided by the foregoing delegations:

- Would like the Board to know how important the pool is to the residents of Mount Pleasant

- The pool supports a healthy lifestyle

- It is one of the few outdoor pools remaining and also serves users outside of the community

- If the existing pool is allowed to be closed it can take five to ten years for a new one to be built

- Recommend that, if the building is decommissioned, washroom facilities be set up for about five to six years to keep the pool operational

- Suggest that, as long as the pool is functioning, the building and pool could be kept operational

132

133

- A small general admission fee for the pool could be charged to cover the operating costs and allow time for a plan of action to be developed

134

135

- Need the development plans to be finalized, to determine the amount of funds required, in order to start working on fundraising for the new pool

136

137

- Advise that some of the funding for redevelopment of the park go towards building outdoor change rooms for the existing pool, as this is what the community wants

138

139

- There already is a playing court in the area so this is not a priority but the pool is

140

- Would like to know the timeline for approval of the plans

141

- Should not worry about adding amenities to the park right now; should focus on the pool and green space

142

143

- The community has shown willingness to fundraise and secure financing from the government and other organisations

144

145

146

The Board thanked the delegations for their comments.

147

148

Board members discussed the report. A Board member inquired into the cost to bring the building up to standards. Staff advised the Board that it would cost approximately \$4-6 million to address the structural, mechanical and fire code deficiencies of the building. A Board member asked staff to explain how the \$1 million financing for the park redevelopment came about. Staff informed the Board that the funding came from the Development Cost Levy (DCL) Reserve, which is a government funding program available for the development of parks, but can not be used for the development of facilities.

149

150

151

152

153

154

155

156

157

158

159

Moved by Commissioner Barnes,

160

161

A. THAT the Board receives this report on the outcome of the public consultation program for information.

162

163

164

B. THAT the Board direct staff to develop a plan for Mount Pleasant Park that allows for the future development of an outdoor pool and change rooms at such time as funds for this component become available.

165

166

167

168

C. THAT the Board authorizes the decommissioning of the existing building and pool.

169

170

171

172

A member of the Board proposed an amendment to section B of the motion.

173

174

175

Moved by Commissioner Mackinnon,

176

177

B. THAT the Board direct staff to develop a plan for Mount Pleasant Park that allows for the future development of an outdoor pool and change rooms within the next Capital Plan.

178

179

180
181
182
183
184
185
186
187
188

Board members discussed the amendment. Several members of the Board stated that the current budget constraints would not permit this project to be funded in the next Capital Plan.

The amendment to the motion was put forward and it was Defeated (Commissioner Mackinnon and Commissioner Barnes contrary).

189

The main motion was put forward and it was Carried Unanimously.

190

Year 2010 Board Meeting Dates

191

192

The Chair stated that the next agenda item to be dealt with will be the 2010 Board Meeting dates after which the Board will return to the staff reports.

193

194

195

Board members received copies of the dates for the 2010 Board meetings.

196

197

Moved by Commissioner Mackinnon,

198

199

THAT the Year 2010 Board meeting dates be approved as submitted.

200

201

-Carried Unanimously.

202

203

204

205

STAFF REPORTS

206

207

Hastings Park / Pacific National Exhibition (PNE): Recommended Master Plan Directions

208

209

210

Board members received copies of a staff report dated December 11, 2009 recommending that the Board receive this report for information on the recommended master plan directions for Hastings Park/Pacific National Exhibition (PNE).

211

212

213

214

Staff advised the Board that this report relates to the Council report which lays out the various aspects of the recommended master plan directions.

215

216

217

The following delegations requested to speak to the Board:

218

219

220

221

- Patricia Coutts
- Eric Harms, President, Hastings Community Association
- Stewart Anderson, President, Kiwassa Neighbourhood Service Association
- Randy Chatterjee, Hastings Park Conservancy

222

223

The following is a summary of comments provided by the foregoing delegations:

224

- Citizens of Vancouver were denied the rights to these lands due to the establishment of the PNE which has been using the park as a cash cow.

225

226

- This plan is against what citizens have been expecting over the years and what they have been promised

227

228

- Since 1910 the Board said it was opposed to leasing the park to any operation

229

- Residents in other areas are allowed unfettered access to parks even during festivities but members of Hastings community are denied access to their park

230

231

- The use of Empire Bowl will be negotiated by the PNE and BC Lions but kids are not even allowed access to this area

232

233

- The Park Board needs to advocate for the park otherwise it should just be called an exhibition ground

234

235

- There should be a balance and all governance should not be turned over to that association, which does not have the public's best interest at heart.

236

237

- This plan is unsupported by the results from the public surveys that went out over the summer which came back in disagreement with the proposed plans

238

239

- Concern that there is no economic basis for this plan, as the forum is used 58 days of the year and they are unable to fill the existing space

240

241

242

The Board thanked the delegations for their comments.

243

Board members discussed the report.

244

245

Moved by Commissioner Hundal,

246

247

THAT the Board receive the recommended master plan directions for Hastings Park / Pacific National Exhibition (PNE) for information.

248

249

250

Board members discussed the motion. A Board member proposed that the motion be amended to include a section B.

251

252

253

Moved by Commissioner Hundal,

254

255

B. THAT the Board urge Council to support the recommendations of the 2004 Hastings Park Restoration Plan which recommended an additional 45 to 47 acres of green space in Hastings Park.

256

257

258

259

-Carried Unanimously.

260

261

262

263

Board members discussed the motion as amended. A Board member proposed that the motion be amended to include a section C.

Moved by Commissioner Woodcock,

C. THAT the Board request that Council place portions of restored park land at Hastings Park under the “custody, care and management” of the Park Board as permitted under sections 488.3 of the Vancouver Charter.

Board members discussed the amendment. A Board member suggested an amendment to the proposed section C.

Moved by Commissioner Robertson,

C. THAT the Board request that Council place portions of restored park land at Hastings Park under the “custody, care and management” of the Park Board as permitted under sections 488.3 of the Vancouver Charter and that Council provide the Park Board with adequate funding for the “custody, care and management” of the Park Board’s portion of the park.

-Carried Unanimously.

The proposed section C, as amended, was put forward and it was Carried Unanimously.

Board members discussed the main motion as amended. A member of the Board expressed concern that the intention of Council would be to go with the proposed 25 to 35 acres stated in the report, which is less than the additional 45 to 47 acres proposed by Council in 2004.

The main motion as amended was put forward and it was Carried (Commissioner Mackinnon and Commissioner Woodcock contrary).

The motion that was carried by the Board is as follows:

- A. THAT the Board receive for information this report on the recommended master plan directions for Hastings Park / Pacific National Exhibition (PNE).**
- B. THAT the Board urge Council to support the recommendations for the 2004 Hastings Park Restoration Plan which recommended an additional 45 to 47 acres of green space in Hastings Park.**

Use of Harbour Green Dock by Passenger Ferry Services

Board members received a copy of a staff report dated December 02, 2009 recommending that the Board approve recommendations A to C.

Staff advised the Board that Coastal Link Ferries Ltd has been using the dock on a temporary basis for the past year, to provide a public transit service from downtown Vancouver to Bowen Island and West Vancouver. Staff recommended that the Board enter into a one year trial agreement with Coastal link Ferries Ltd, from January 1st to December 31st, 2010 and that authorization be given to the General Manager to execute similar agreements with other ferry operators.

Board members discussed the report. A Board member expressed concern that public consultation was not conducted before the recommendation came to the Board.

Moved by Commissioner Blyth,

- A. THAT the Board approve a trial period of up to twelve months for the use of the floating walkway dock at Harbour Green Park by Coastal Link Ferries Ltd for its commuter passenger ferry service, with details as set out in this report.**
- B. THAT the Board approve entering into similar trial period agreements with other companies offering comparable passenger ferry services, as applicable.**
- C. THAT once the form of the licence has been approved by the General Manager and the Director of Legal Services, that the General Manager is authorized to execute the document on behalf of the Board.**

363 **-Carried.**

MOTIONS

Moved by Commissioner Woodcock,

WHEREAS:

1. **Violence against women persists as both a pervasive violation of human rights and a significant impediment to achieving gender equality on a global and local level;**
2. **Gender inequality remains one of the root causes of violence against women while violence against women serves as both an acute manifestation of gender inequality and a means of perpetuating it;**
3. **Vancouver is a city that believes in dignity, respect, and gender equality and has established the first City of Vancouver Women's Advisory Committee;**
4. **Recent figures from Statistics Canada indicate that women are 8 times more likely than men to experience violence in relationships (Source: Family Violence in Canada: A Statistical Profile, Statistics Canada, 2006);**
5. **Recent statistics show that violence against women increase by one third during times of economic downturn;**
6. **'We Can End All Violence against Women', or 'We Can', is a multi-year, international campaign, which seeks to challenge and change deeply entrenched societal attitudes and practices that support violence against women through a Coalition of over 50 organizations and 500 individuals;**
7. **'We Can' is a partner in the international '16 Days of Activism Against Gender Violence' campaign that will be taking place from November 25- December 10, 2009 to raise awareness and dialogue around violence against women;**
8. **The '16 Days' Campaign has seen tens of thousands of activists from every region of the world take part in a united movement for women's rights since its beginning in 1991, providing an opportunity to work together in solidarity and draw upon this period of heightened international attention to gain support for local efforts;**

9. The COV Women’s Advisory Committee requests that Vancouver City Council support the campaign against violence against women by supporting this campaign.

THEREFORE BE IT RESOLVED

THAT the Vancouver Park Board unanimously agree to endorse the We Can Coalition and its ‘16 Days of Activism Against Gender Violence’ Campaign.

-Carried Unanimously.

The Vice Chair took over the chairing of the meeting so that the Chair could put forward a motion.

Moved by Commissioner Jasper,

WHEREAS the Board initiated a Core Services Review as part of its 2010 Budget process to better align its programs and services with the Park Boards mandate;

WHEREAS the Bloedel Conservatory, as part of the 2010 Budget process, was identified as not being part of the Park Boards Core Service;

WHEREAS the Board approved, on November 25, 2009, to close the Bloedel Conservatory to assist in meeting the Park Board's 2010 fiscal challenges;

WHEREAS the Board recognizes the historic value of the Bloedel Conservatory and its potential for future use;

THEREFORE BE IT RESOLVED that the Board direct staff to issue a Request for Expressions of Interest inviting interested applicants to submit written business cases/concept plans and other relevant information for the use (in a similar or new capacity) of the Bloedel Conservatory facility in Queen Elizabeth Park.

Board members discussed the motion. A Board member requested that the Board go into a brief in-camera meeting.

458

459

Moved by Commissioner Robertson,

460

461

THAT the Board go into an in-camera meeting.

462

463

-Carried Unanimously.

464

465

The Board went into an in-camera meeting at 9:31p.m.

466

467

The Board exited the in-camera meeting and the meeting reconvened at 9:49 p.m.

468

469

470

The following delegations requested to speak to the Board:

471

- John Coupar, Friends of the Bloedel

472

- John Mcalpine

473

- Emma Sutherland, RedFox Program

474

- Mary Anne Byrne & Family

475

- Avery Burrow

476

- Paul Faoro, President, CUPE Local 15

477

- Sheryl Hamilton, Friends of the Bloedel

478

- Bill McCreery, representing a Group of former Park Board Commissioners

479

- Bonnie Simpson

480

- Donald Simpson

481

- Zenon Holtz

482

- Stephen Bohus

483

484

The following is a summary of comments provided by the foregoing delegations:

485

- Over 52,000 persons have signed a petition against the closure of Bloedel
Conservatory

486

487

- The previous Boards did not neglect the conservatory, in fact recent upgrades
were made to the facility

488

489

- Findings indicate that the building is solid and in good condition

490

- Because the foundation is no longer in existence does not mean that the City can
cancel its obligation

491

492

- There should be transparency in these discussion and no need to go in-camera

493

- The conservatory is an excellent place to take visitors and it is a landmark

494

- Is the Board so divorced from commercial methods that it cannot find a way for it
to make money

495

496

- A lot of money can be made during the Olympics

497

- Where would the birds who call the conservatory home go if it is closed

498

- The location makes it difficult to find for those who are unfamiliar with it

499

- More advertising should be done, for e.g. on the sides of buses

500

- Parking fees in the area are relatively high, therefore a discount can be offered
with the presentation of a parking receipt to make it more attractive

501

502

- The Board threw its mission statement out the window on November 25th when it
decided to put forward those budget cuts

503

504

- If this motion is passed it would result in the privatization of Park Board facilities

505

506

507

- The Board should be at City Hall fighting for funding for the park systems

508

- A solution is needed but insufficient time is given to come up with a solution

509

- Friends of the Bloedel would like to work with the Board in a similar capacity to the VanDusen Society

510

511

- Request that the Board extend the terms to allow the conservatory to remain open for the next 6 to 8 months

512

513

- Recommend that the final decision be deterred until alternative solutions are found

514

- Can consider increasing the fees and avenues for fundraising and generating revenue

515

516

- Getting rid of the Bloedel sends the message to donors that they should not donate money to the Park Board as you will not be leaving a legacy

517

518

- The Bloedel was given in good faith to the Board and at the first sign of problems the decision was made to close it

519

520

- If money was set aside for improvements rather than added to the City revenue fund we would not be in the situation we are in today

521

522

- Whatever repairs are needed can be fixed and in the meantime the cost needed to keep it open can be arranged, but the loss will be unforgiveable

523

524

- The Bloedel is a gift for future generations and you should not look at what is legally binding but at what is the right thing to do

525

526

- The panels can stay for a few more years and there are more sustainable upgrades that can be done

527

528

- Closure of the conservatory conflicts with the goal of being the greenest city in the world

529

530

The Board thanked the delegations for their comments.

531

532

Board members discussed the motion. A member of the Board suggested that the final paragraph of the motion be amended.

533

534

535

536

537

Moved by Commissioner Jasper,

538

539

540

541

THEREFORE BE IT RESOLVED, pending clarification that the rights of the Bloedel foundation had not been assigned to its successor or assignee, that the Board direct staff to issue a Request for Expressions of Interest inviting interested applicants to submit written business cases/concept plans and other relevant information for the use (in a similar or new capacity) of the Bloedel Conservatory facility in Queen Elizabeth Park.

542

543

544

545

546

547

548

549

-Carried Unanimously.

550

551

Board members discussed the motion as amended and a second amendment to the final paragraph of the motion was suggested.

552

Moved by Commissioner Jasper,

THEREFORE BE IT RESOLVED, pending clarification that the rights of the Bloedel foundation had not been assigned to its successor or assignee, that the Board direct staff to issue a Request for Expressions of Interest inviting interested applicants to submit written business cases/concept plans and other relevant information for the use (in a similar or new capacity) of the Bloedel Conservatory facility in Queen Elizabeth Park by April 30th, 2010.

Board members discussed the amendment. A Board member expressed concern as to whether April 30th would be sufficient time.

The amendment was put forward and it was Carried (Commissioner Mackinnon, Robertson and Woodcock contrary).

The main motion as amended was put forward and it was Carried (Commissioner Mackinnon, Commissioner Robertson and Commissioner Woodcock contrary).

Moved by Commissioner Jasper,

WHEREAS the Board initiated a Core Services Review as part of its 2010 Budget process to better align its programs and services with the Park Boards mandate;

WHEREAS the Children's Farmyard, as part of the 2010 Budget process, was identified as not being part of the Park Boards Core Services;

WHEREAS the Board approved, on November 25, 2009, to close the Children's Farmyard to assist in meeting the Park Board's 2010 fiscal challenges and support its core services;

WHEREAS the Board recognizes the potential educational value of the Children's Farmyard;

THEREFORE BE IT RESOLVED that the Board direct staff to issue a Request for Expressions of Interest inviting interested applicants to submit written business cases/concept plans and other relevant information for the use (in a similar or new capacity) of the Children's Farmyard facility in Stanley Park.

608

609 The following delegations requested to speak to the Board:

- 610 - Tamara Flick-Parker
611 - Paul Faoro, President, CUPE Local 15
612 - Mike Jackson, President, CUPE Local 1004
613 - Gerry O'Neil, Stanley Park Horse-Drawn Tours
614
615
616

617 The following is a summary of comments provided by the foregoing delegations:

- 618 - Would like sufficient time to work on this, similar to Bloedel, especially in light of
619 the holidays
620 - Spoke with Yosef Wosk who is interested in putting together a proposal to address
621 fundraising and operating costs for the farmyard
622 - Would also like to ensure that the farm workers do not loose their jobs
623 - The Board should tell the City the amount that is needed to carryout the Park Board
624 services and leave it up to Council to decide whether funding would be available
625 - Ask that the motion be withdrawn and the farmyard be kept open for the public
626 - Is the Board aware that there is a fundraising manager employed with the Board
627 - It would be embarrassing for management if a private company would come in and
628 make a profit from running the farmyard
629 - Management has not come forward and offered to loose a couple of their positions
630 - It does not make any sense that the Board would think that any organisation would
631 want to take over a business that has been losing money over the past few years
632 - If the Board is serious about this more time is needed
633 - Stanley Park and the farmyard need a wow factor and without the vision there would
634 be no point
635 - There were plans a few years ago to upgrade the farmyard and similar ideas need to
636 be looked into to generate attraction
637

638 The Board thanked the delegations for their comments.

639

640 Board members discussed the motion. A Board member suggested that the last paragraph
641 of the motion be amended.

645 Moved by Commissioner Jasper,
646
647

648 THEREFORE BE IT RESOLVED that the Board direct staff to issue a Request for
649 Expressions of Interest inviting interested applicants to submit written business
650 cases/concept plans and other relevant information for the use (in a similar or new
651 capacity) of the Children's Farmyard facility in Stanley Park by April 30th, 2010.
652

653

654 Board members discussed the amendment. A few members of the Board expressed
655 concern that the timeline would not be sufficient.

In-Camera Meeting

Moved by Commissioner Mackinnon,

THAT the Board later this evening go into a meeting which is closed to the public, pursuant to Section 165.2 (1) of the *Vancouver Charter*, to discuss matters related to paragraph:

(c) labour relations or other employee relations;

-Carried Unanimously.

Enquiries, Other Matters and New Business

A Board member requested that in future, when there is an in-camera meeting, the Enquiries, Other Matters and New Business section of the agenda be brought up before the in-camera meeting, so that the public can be present for this part of the meeting. The Board concurred that this would be done in future.

The meeting adjourned at 12:37 a.m.

Peter Kuran
Acting General Manager

Commissioner Aaron Jasper
Chair
